Directions to Grant Thornton Geneva

The office is in the same building as the Mövenpick Hotel near the airport between route de Meyrin and avenue Louis-Casaï on the route de Pré-Bois.

Private Transportation by car:

If coming from the Lausanne direction, you come off the autoroute at **exit 5**, signed MEYRIN, keep in the right lane and filter right, direction airport. You will pass through 2 sets of traffic lights, just after the second set of lights stay right and as you pass in front of the big brown building of the ICC you will see a slip road to the right marked **Medical Center & ICC**. Take this and follow the signs for the underground parking; the easiest parking is level three.

Grant Thornton SA: Once you are in the main building, take lift D to the 5th floor.

Public Transportation from downtown Geneva:

Tram:

- From Geneva main train station (Cornavin): **number 14 to Meyrin Gravière**, or **number 18 to CERN**.
- From Rive or down town: **Tram 16 to Meyrin Gravière**.

For both these options, get off at **Blandonnet** station, take the exit on the right hand side (airport side), down the ramp and walk **in the direction of the airport**, and you can see the brown building of the Mövenpick hotel. Walk is about 4 mins.

Bus:

From the airport:

- **Number 23 (to ZIPLO), 28 (to Parfumerie)**, bus stop **Grand Hangard** - 2 minutes walk in front of you.
- **Number 10 to Onex Cité**, bus stop **Tour de Contrôle** - 8 minutes walk on your right getting out from the airport.

From down town:

- **Number 23 (to Aéroport), 28 (to Jardin botanique)**, bus stop **Grand Hangard** – 2 minutes walk in front of you.

See also www.tpg.ch in English and French for full details and times.

Walking from the airport:

Exit the arrivals hall and turn right. Walk straight ahead and out of the airport, past parking "P51" which will be on your left. The road curves round and at the next traffic lights (at Route de Pré-Bois) the ICC building is across the road in front of you.
